

ILLINOIS HOUSE PROGRESSIVE CAUCUS

Press Statement • June 30, 2021

FOR IMMEDIATE RELEASE:

Progressive Caucus Supports SEIU Strike

The legislators of the Illinois House Progressive Caucus proudly stand with the members of SEIU Local 73 in their strike against Cook County government. Recent revelations show that each of the other bargaining units in the county have settled on terms much more generous than the County's "last, best, and final" offer to Local 73. In light of that, we urge the County to return to the bargaining table and meet the terms agreed to by the other bargaining units in the county.
